# Bose<sup>®</sup> SoundSport<sup>™</sup>

in-ear headphones

for use with Samsung Galaxy devices

Owner's Guide

# Important Safety Information

Please read this owner's guide carefully and keep for future reference.

## WARNINGS:

- **DON'T** use the headphones at a high volume for any extended period.
  - To avoid hearing damage, use your headphones at a comfortable, moderate volume level.
  - Turn the volume down on your device before placing the headphones in your ears, then turn the volume up gradually until you reach a comfortable listening level.
- **DO** use caution and follow applicable laws regarding mobile phone and headphone use if using the headphones for phone calls while driving. Some jurisdictions impose specific limitations, such as single earpiece configuration, on the use of such products while driving. **DON'T** use the headphones for any other purpose while driving.
- **DO** focus on your safety and that of others if you use the headphones while engaging in any activity requiring your attention, e.g., while riding a bicycle or walking in or near traffic, a construction site or railroad, etc. Remove the headphones or adjust your volume to ensure you can hear surrounding sounds, including alarms and warning signals.
- **DON'T** use mobile phone adapters to connect headphones to airplane seat jacks, as this could result in personal injury such as burns or property damage due to overheating.
- **DO** remove headphones and disconnect immediately if you experience a warming sensation or loss of audio.
- **DON'T** submerge or expose for extended period to water, or wear while participating in water sports, i.e. swimming, waterskiing, surfing, etc.
- **DON'T** place naked flame sources, such as lighted candles, on or near the product.

## WARNING:

Contains small parts which may be a choking hazard. Not suitable for children under age 3.

## WARNING:

This product contains magnetic material. Contact your physician if you have questions on whether this might affect the operation of your implantable medical device.

This symbol means the product must not be discarded as household waste, and should be delivered to an appropriate collection facility for recycling. Proper disposal and recycling helps protect natural resources, human health and the environment. For more information on disposal and recycling of this product, contact your local municipality, disposal service, or the shop where you bought this product.

This product conforms to all applicable EU directive requirements. The complete declaration of conformity can be found at [www.Bose.com/compliance](http://www.Bose.com/compliance)

# Using the headphones

---

## About your Bose® SoundSport™ in-ear headphones

---

The Bose® SoundSport™ in-ear headphones offer full, balanced sound that conventional sports earbuds can't match.

### System Features

- Exclusive TriPort® technology delivers natural-sounding lows, even at higher volumes.
- Sweat and weather-resistant.
- Proprietary StayHear® tips conform to your ears' shape, so they stay comfortably in place even during long, vigorous exercise.
- Lightweight, durable carrying case stores and protects headphones.
- Inline microphone and remote provide control for Samsung Galaxy devices.
- Engineered and tested for lasting quality and durability.

## Unpacking the system

Carefully unpack the carton and confirm that the following parts are included:

**Note:** The headphones come with medium StayHear® tips attached.

## Using the headphones

---

### Connecting to your Samsung Galaxy device

---

Connect the headphones to the standard 3.5 mm headphone input on your device.

### Using the headphones with your Samsung Galaxy device

---

The Bose® SoundTrue™ in-ear headphones come with an inline microphone and 3-button remote.

**Note:** The **S** marking on the back of the remote indicates that these Bose® SoundTrue™ in-ear headphones are designed for use with Samsung Galaxy devices. Full controls may not be available for some models. Refer to your Samsung Galaxy user guide to see if remotes work with your model.

### Headphone controls

## Basic functions

Increase volume	Press and release the + button.
Decrease volume	Press and release the – button.
Answer a call	When you receive an incoming call, press and release the Answer/End button to answer.
End a call	Press and release the Answer/End button.
Decline an incoming call	Press and hold the Answer/End button for about two seconds, then release.
Switch to an incoming or on-hold call and put the current call on-hold	While on a call, press and release the Answer/End button once. Press and release again to switch back to the first call.
Switch to an incoming or on-hold call and end the current call	While on a call, press and hold the Answer/End button for about two seconds, then release.
Use Voice Control	Press and hold the Answer/End button. For more information on Voice Control, refer to your Samsung Galaxy device Owner's Guide.

## Media playback functions

Play or pause a song or video	Press and release the Answer/End button.
Skip to the next song or chapter	Press and release the Answer/End button twice quickly.
Fast forward	Press and release the Answer/End button twice quickly and hold the second press.

# Using the headphones

---

## Importance of proper fit

---

When you wear the headphones properly, they provide the comfort and clarity you expect from Bose.

### Fitting the headphones to your ear

The headphone earpiece has a soft StayHear® tip attached, allowing it to rest comfortably in the bowl of your ear. The wing part of the tip fits just under your ear ridge.

**Note:** Each StayHear® tip is marked with an **L** (Left) or an **R** (Right) to indicate which earpiece it is designed to fit. Be sure to attach the Left tip to the Left earpiece and the Right tip to the Right earpiece.

### To determine if the tip is the right size:

1. Insert the earpiece into the canal just enough for the headphone to rest lightly against your ear.
2. Tilt the headphone back and press the tip wing under the ear ridge until it is secure.

The tips should fit comfortably yet securely in the bowl of the ear.

## Changing the ear tips

Select the type and size of eartip that provides you with the best comfort and fit.

1. Gently peel the edges of the attached tip away from the earpiece, using care not to tear the tip.

**Caution:** To prevent damage, do not pull on the StayHear® tip wing.

2. Position the opening of the new tip over the nozzle and the small slot over the nozzle hook.

**Note:** Each tip is marked with either an **L** or an **R** to indicate which earpiece it is for. Be sure to attach the left StayHear® tip to the left earpiece and the right StayHear® tip to the right earpiece.

3. Ease the base of the tip down around the base of the earpiece until the tip feels secured.

## Attaching the extension cable

---

Attach the extension cable to create extra cable length between the headphones and your mobile device.

1. Connect the female end of the extension cable to the headphone cable.
2. Connect the other end of the extension cable to the standard 3.5 mm headphone input on your device.

# Using the headphones

---

## Adjusting for comfort and stability

---

There are several ways you can adjust your headphones to provide additional comfort and stability. You can customize how you wear your headphones using the adjustment slider and clothing clip.

### Using the clothing clip

Use the clothing clip to fasten the cable to your clothing, for convenience, stability, and to help manage the cable. This can be helpful during high-movement activities or when using the headphones in a single earpiece configuration.

### Using a single earpiece

The Bose® SoundSport™ in-ear headphones can be used with only the right (R) earpiece in your ear. This allows you to take calls and still hear surrounding sounds.

## Troubleshooting

If you experience any trouble using your headphones, try the following troubleshooting instructions.

<b>Problem</b>	<b>What to do</b>
No audio/intermittent audio	<ul style="list-style-type: none"><li>• Securely connect the headphones plug to the headphone input.</li><li>• Try another audio device.</li></ul>
Excessive bass	<ul style="list-style-type: none"><li>• Turn off any audio enhancement features on the audio source.</li></ul>
Microphone is not picking up sound	<ul style="list-style-type: none"><li>• Securely connect the headphones plug to the headphone input.</li><li>• Make sure the microphone is not being blocked or covered.</li><li>• Try another phone call.</li><li>• Try another compatible Samsung Galaxy device.</li></ul>
Phone not responding to remote (button) presses	<ul style="list-style-type: none"><li>• Securely connect the headphones plug to the headphone input.</li><li>• For multi-press functions: Vary speed of presses.</li><li>• Try another compatible Samsung Galaxy device.</li></ul>
Ear tips falling off	<ul style="list-style-type: none"><li>• Securely attach the ear tips to the earpiece and nozzle hook.</li></ul>
Lost ear tip	<ul style="list-style-type: none"><li>• Contact Bose® for replacement tips.</li></ul>
Sound is muffled from earpiece	<ul style="list-style-type: none"><li>• Clear any debris or wax build-up from the ear tips and headphones nozzles.</li><li>• Unplug the headphones from the audio source, then plug back in making sure they are securely connected.</li><li>• Try another audio device.</li></ul>

# Using the headphones

---

## Cleaning

---

Your headphones may require periodic cleaning:

**Ear tips:** Remove the ear tips from the headphones. Wash them with a mild detergent and water. Make sure you thoroughly rinse and dry them before putting them back on the headphones.

**Headphones' nozzles:** Clean only with a dry, soft cotton swab or equivalent. Never insert any cleaning tool into the nozzle.

## Limited warranty

---

The Bose® SoundSport™ in-ear headphones are covered by a limited warranty. Details of the limited warranty are provided on the product registration card that is included in the carton. Please refer to the card for instructions on how to register. Failure to register will not affect your limited warranty rights.

The warranty information provided with this product does not apply in Australia and New Zealand. See our website at [www.bose.com.au/warranty](http://www.bose.com.au/warranty) or [www.bose.co.nz/warranty](http://www.bose.co.nz/warranty) for details of the Australia and New Zealand warranty.
